

CONFERENCE ANNOUNCEMENT AND CALL FOR PAPERS

TRANSTEC Delhi 2010

April 4-7, 2010

The 3rd TRANSTEC congress in New Delhi is an international event coinciding with the 2010 Commonwealth Games in Delhi to discuss and explore new direction in the field of sustainable transport, ITS, green transport solutions and the rise of developing countries as a major player in transport industry. In 2010 in conjunction with the Commonwealth Games in New Delhi the city will host the third TRANSTEC conference. This follows along the steps of the successful TRANSTEC Athens 2004, and Prague 2007 conferences and promises to be an even more exciting event.

The presentations and exhibits of research and technology will focus on six main areas: sustainable transport, advanced and innovative systems, and transportation modelling simulation, ITS and road safety, developing countries. Emphasis is on the methodological, theoretical and practical advances in science, engineering, and technology of transportation and environmentally sustainable transport systems.

PROGRAMME

This is a two-pronged congress with an exhibition and a conference. The conference portion spans a wide spectrum of transportation practice and research with an expected 150 individual presenters and approximately 200 attendees. The conference program is delivered in three distinct formats of keynote speeches, research presentations, and interactive poster presentations.

WHERE AND WHEN

The congress will take place April 4-7, 2010 in New Delhi at The Imperial Hotel in central Delhi which is one of the finest 6* art deco hotels in the world.

The key areas of focus and themes for this year will be:

- Sustainable transport solutions,
- Transport and environment,
- Intelligent Transport Systems,
- Urban traffic Management,
- Transport Modelling,
- Traffic Simulation,
- Travel Demand Management
- Congestion Charging,
- Transport Policy,
- Traffic Engineering,
- Transport economics & Finance,
- Multi-modal transport systems,
- Aviation,
- Ports,
- Railways,
- Freight,
- Tourism and transport,
- Global health and transport,
- BRTS, PRT, LRT and Mass transit
- Traffic Safety,
- Pedestrian issues and environs
- Urban Design, Built form
- Transport in developing countries.

Timelines and Important Dates

Abstracts for presentation can be submitted at any time until **1st February 2010**. Presentations will be selected based on topic relevance and early submission. After the initial selection of abstracts, a full paper is expected by **15th February, 2010**. Early bird registration ends on **15th February 2010**.

All papers received will be published in the conference proceedings to be distributed at the conference. A small number of papers will be peer-reviewed by a technical steering committee to be published in a selection of

refereed journals. To give the highest number of participants the possibility of presenting a paper, the organizers reserve the right to select one out of multiple submissions from the same person.

TRANSTEC includes two types of delivery of papers: session presentations and poster presentations. Session presentations are in sessions of 4-5 papers with each paper taking 15 minutes for the presentation and a few minutes for questions. Poster presentations are interactive sessions during which each author has about 5 minutes to highlight the poster and then 1.5 hours to discuss details with a smaller audience around the poster. Proposals for poster presentations undergo the same selection procedure and criteria as session presentations. Please indicate if your abstract is for a poster or a session presentation.

ABSTRACT GUIDELINES

- 1000 words maximum.
- May include one figure or table.
- Format should be in PDF or MSWord and must include the names, affiliation and country of the authors, title, abstract, and the type of presentation you wish to make (poster or session presentation).
- Identify one author as the contact person.
- Submit by email to transtec2010@gmail.com with "TRANSTEC DELHI ABSTRACT" in the subject line.
- Include a list of keywords with your abstract submission such as: ITS, traffic technology, software, hardware, modelling, simulation, soft computing, developing countries, ports etc.

CONFERENCE LANGUAGE: English

ACCOMMODATION

Discounted single or double rooms can be booked in the conference hotel (www.theimperialindia.com) Please contact Ms Meneka Vermani at **Imperial Hotel, Janpath, New Delhi** quoting TRANSTEC 2010 for discounted room prices or contact the conference secretariat below:
