Individual/Firm	The consultant will be an individual.

Assignment Description

Request for expression of interest

The World Bank is providing non-lending technical assistance to the City Government of Addis Ababa (AACG) in subject areas related to its implementation of the transport aspects of its urban master plan (Promoting integrated urban planning in Addis Ababa to foster green growth or PIUPFGG). AACG has recently approved a change to its institutional governance structure in urban transport, which involves, among other things, the establishment of a Public Transport and Freight Authority (PTFA). The World Bank intends to use some of the resources for its PIUPFGG activity to support the AACG in establishing the PTFA, by providing advice on the structure, functions and activities of the PTFA. The Bank intends to hire a consultant to provide PTFA with about three months of staff time over a four month period for this purpose. The selected consultant will work under a contract to the World Bank, with the beneficiary being the Addis Ababa Road and Transport Bureau, which will house the PTFA.

The Bank now invites eligible consultants with expertise in urban public transport development, regulation, and management to submit expressions of interest and relevant curricula vitae. Experience in developing countries, particularly sub-Saharan Africa, is preferred; fluency in English (written and spoken) is a must. While this request for expressions of interest is intended for individual consultants, qualified consultants who are affiliated with firms are equally encouraged to respond. In such cases, however, only the qualifications of the individual, not of the firm, will be assessed against the needs of the assignment. As the Bank seeks the best qualified consultant for the assignment, the modality of engagement (through a firm or as an individual) will be determined later once the qualified consultant identified and his or her availability and eligibility for the assignment within the available resources has been ascertained.

Interested consultants may obtain further information at the address below during office hours: 0900 to 1700 hours (US Eastern Time).

Submission of Applications

Expressions of interest must be delivered by December 17, 2014 using the following electronic address:
<https://wbgeconsult2.worldbank.org/wbgec/index.html>. Please note that the total size of all attachments should be less than 5MB.

Selection and contracting will normally be made from responses to this request for expression of interest. The consultant will be selected from a shortlist, subject to availability of funding.
